**REQUEST FOR APPROVAL OF DRAWING CHANGE AND  
AMENDMENT TO CONFORM SPECIFICATION TO FORMAL DRAWINGS**

Sir:

**I. Request for Approval of Drawing Change**

Applicant respectfully requests approval of a change to the informal drawing of Figure 1 filed with the application on September 15, 2000. The reference numeral for sensors (S) is incorrect. It is an obvious error as noted by comparing the reference numeral for sensors (S) in Figure 1 with the reference numerals for sensors (S) in the drawings of Figures 2, 3, and 4a-4c. The reference numeral for sensors (S) in Figure 1 should be 40, not 10. Applicant has enclosed a copy of the informal drawing with the change noted in red.

**II. Amendment to Conform Specification to Formal Drawing**

**In the Specification**

On page 18, line 4, please delete "communication", and insert --communications-- in place thereof.

On page 18, line 8, please delete "communication", and insert --communications-- in place thereof.

**REQUEST FOR APPROVAL OF DRAWING  
CHANGE AND AMENDMENT TO CONFORM  
SPECIFICATION TO FORMAL DRAWINGS**

### Remarks

The drawing change corrects an obvious error as noted by comparing the reference numerals for sensors (S) in the drawings of Figures 2, 3, and 4a-4c with the reference numeral in Figure 1.

The amendment to the specification is made to conform the description of Figure 5 in the specification to the formal drawing of Figure 5. Enclosed are a marked-up copy of page 18 of the specification showing the requested amendment made to the paragraph labeled [1], and a clean copy of page 18 of the specification with the amendment incorporated into the paragraph labeled [1].

No new subject matter has been added.

Also enclosed for the convenience of the Examiner are copies of the Transmittal of Formal Drawings with Certificate of Mailing Under 37 C.F.R. § 1.8(a), and four (4) sheets of formal drawings filed April 20, 2001.

Respectfully submitted,

---
